SPEAKER WITHEM: Time.

SENATOR PIRSCH: ...to the acquisition may be regulated by law.

SPEAKER WITHEM: The Chair recognizes Senator Hall. Motion is made by Senator Hall to adjourn, I assume, till 9:00 a.m. tomorrow morning. Senator Robak, for what purpose do you rise?

SENATOR ROBAK: I'm one of five hands.

SPEAKER WITHEM: Thank you, we don't...thank you. That was not a motion to cease debate, it's a motion to adjourn. All in favor say aye. Opposed. Senator, I'm sorry. Mr. Clerk, could we hold back on that with everybody's unanimous consent and see if there are some items for the record before we declare ourselves adjourned?

CLERK: Yes, Mr. President, thank you. Your Committee on Judiciary reports LB 868 to General File with amendments. Natural Resources reports LR 284 back to the Legislature for its further consideration; LB 1017 to General File; LB 940, General File with amendments; LB 941, General File with amendments; LB 962, General File with amendments. A confirmation hearing report from Natural Resources Committee; priority bill designation of LB 1061 by the Transportation Committee. Hearing notices from Natural Resources, Urban Affairs, Government, Judiciary, Revenue, Health and Human Services. Senator Moore would like to print amendments to LB 663; Senator Bernard-Stevens to LB 291; Senator Bernard-Stevens to LB 277A. That's all that I have, Mr. President. (See pages 502-06 of the Legislative Journal.) (Journal page 507 shows an amendment to LB 511 by Senator Robinson.)

SPEAKER WITHEM: In that case, everything is in the Journal. The motion has been made. The vote has been taken. The body is adjourned until 9:00 a.m.
